**65<sup>TH</sup> ANNIVERSARY - UPDATE FROM LINK EARLENE COX**

> Awards---11 awards have been ordered and are in the hands of facet chairs. Several have been given to recipients and the facets are very busy trying to schedule to get as many of the remaining delivered to the recipients and photographed by the 1st week in May for inclusion in the anniversary video.

> Ads-- a few have come in but really need each Link member to step up efforts to get ads and purchase ads. So please think about pushing for ads. Ads represent funds that have a minimal cost attached to it and therefore high rate of return.
