ORGANIZATIONAL EFFECTIVENESS REPORT

September 18, 2017

Presented by Link Mary & Link Sandy

Purpose: To assure that all Westchester County Chapter Meetings are conducted in an open and friendly atmosphere, with a clear understanding of discussions pertinent to each meeting and before the meeting is adjourned.

Reasons:

A report must be sent at the end of the program year regarding any conflicts in the Chapter with a written resolution for each conflict.

Solution: To avoid conflicts, we will use the 40th National assembly Theme:

INSPIRE – Attend Chapter meeting with an open mind

CONNECT – Share a kind word that will bring a smile-feel free to go to the person that you did not understand for clarity

To Avoid Parking Lot, Elevator and Telephone meetings – make every effort to use "Operational Effectiveness" for Clarity.

ENGAGE: Be an active Participant! Share your Thoughts! Your Input is IMPORTANT! COMMUNICATION is the KEY to UNDERSTANDING!!

We are Powerful Women of a Great Organization with Great Ideas willing to Provide Exceptional Service to the Westchester County Communities!!
