October 2019 Retreat Committee Report

On Wednesday, October 9 the retreat committee met via conference call. We discussed the results from the survey, which was completed by 23 Link sisters. The results from the survey were shared with the chapter.

As per the discussion at September's Chapter Meeting, the December 7, 2019 date that was originally selected will be changed to a new date in 2020. A new survey was emailed to the chapter asking for their preference of either February 21 and 22nd or March 27 and 28th. We have received 7 responses so far (10/15/19).

Friday night is Links Ladies Night and Saturday is scheduled to be the actual Retreat day. There will be an option to spend the night at the location where the retreat is being held. The committee is still discussing different venues. After the date is set, the location and agenda will be announced.

Respectfully Submitted,
The Retreat Committee
