Looking forward to all engaging and participating.

Needs to be focused, productive and aligned with the goals and objectives of the entire chapter

No, I look forward to the retreat.

Would want to support black owned businesses - whether it's catering/restaurant, hotel/bed & breakfast, or attend some kind of cultural experience (Af Am historical site, Af Am movie/exhibit/museum) during the event.

This is a great idea. Given busy fall schedules, a one day retreat would be best. Instead of a Friday night girls event, maybe do a Saturday night event, either at the retreat site or at a restaurant.

Dancing!!

Why is the Retreat being held so late in the year? Ideal time would have been before the start of chapter meetings.

Looking forward to it! Yet I have a prior commitment and I’m not available on Saturday, December 7. Link Lisa

I believe the location is important in creating a retreat feel and atmosphere.

Historically only 1/2 the membership shows up and as such we tend to be connecting with the same few. Hiw do you get the rest to attend and participate?
