ISSUES DISCUSSED: (Please provide a brief summary of each issue discussed.)

Link Marilyn gave a substantive presentation on our Facet's goals, which must be aligned with National and should be specific, measurable, attainable, relevant and time bound. The Facet will revisit our current goals, and assess whether they should be amended, e.g., ability to assess our impact on community awareness through surveys.

The Facet discussed two (2) activities being planned:

1. Coordinating with ITS Facet to take 25 ITS LIFE students from Woodlands High School on April 6, 2016 to see the play Eclipsed, starring Lupita Nyong'o. Six (6) Link members may attend. Coordinated by Link Donna, who will inquire about study aids for the students. Payment to be made.
2. Coordinating with ITS Facet to take 50 ITS LIFE students from Woodlands High School on April 22, 2016 to a Guided Tour of the Permanent Collection at the Studio Museum in Harlem, followed by Q&A, increasing students' awareness of African American art and artists. Link members may attend at no cost as chaperones. Coordinated by Link Michelle, who will inquire about study aids for the students. Payment to be made.

Art Beat has resumed in January 2016 on a quarterly basis. The March issue will be prepared by Link Louise.
