Link Priscilla gave a prayer of comfort.

### **Presentation by International Trends & Services**

Woodlands High School L.I.F.E. student, Chanya Holness, presented her highly acclaimed documentary which highlighted the need for sustainability on our planet. Her presentation also included the focus on the United Nations Sustainable Development Goals (SDGs) recently embraced by many world leaders during the last United Nations General Assembly.

Chanya, an academic high honors student, plans to attend Columbia or NYU and major in journalism. Her parents, principal Matt Smith, and teacher Chris Vaccaro also were in attendance during her presentation.

Links Delores and Lisa presented an update regarding our national Linkage with Jamaica initiative. Link Delores moderated a PowerPoint presentation on the Global Linkage Delegation to Jamaica which took place January 27 - 31, 2016. This informative slide show emphasized the tremendous progress Links have made in Jamaica in a very short period of time. Link Delores encouraged members to think about the commitment of the

Westchester County Chapter in terms of our global presence. There are several opportunities for us to participate such as:

- Establishing a partnership with an existing chapter that has a school located in Jamaica.
- Adopting our own school located in Jamaica or elsewhere in Africa.
- Expanding our partnership with the school in Ghana.
- Establishing a global umbrella project.

ITS is going to discuss these options and report back to the chapter. Nationally, International Trends and Services will continue to support this initiative in Jamaica. Locally, our Chapter ITS Facet has donated \$200.00 to this initiative.
