

WESTCHESTER COUNTY (NY) CHAPTER  
OF  
THE LINKS, INCORPORATED  
FACET/COMMITTEE REPORT FORM

**COMMITTEE/FACET NAME: NATIONAL TRENDS AND SERVICES**

**MEETING DATE AND TIME/ATTENDEES: February 11, 2019 7:30-8:10 PM**

Joyce Turnipseed, Penelope Moore, Yolanda Kelley-Cannick, Hillary Fleming.

**ISSUES DISCUSSED:**

Link Dozene was unable to attend the meeting but let us know that the Alzheimer's Symposium will take place Saturday, June 1. Details to be shared soon.

The presentation on Human Trafficking and the flier with information will be posted to the chapter website. There's an opportunity to work with ITS on an upcoming initiative regarding Human Rights (ITS) and with Link Kathie's efforts to address the issue via Trafficking Court.

The facet discussed the 2018-2019 NTS budget. Our biggest line item is the investment for the *In an Arts State of Mind* program. The facet agreed that we want to continue the program into next program year. It's a program that not only allows us to collaborate with The Arts facet, but it is a program that most of the chapter has participated in over the past several years. We did talk about the need to expand our audience by reinstating our "Days of Pampering" – those events we did 2-3 times a program year, where we engaged many residents to make crafts, do activities, get their nails done, etc.. The audience for those was more diverse, in terms of physical and mental abilities and in terms of racial background.

Finally, Voter Registration and Education should be a focus in 2019-2020, ahead of the 2020 elections. The goal would be to do several events, building awareness of races, candidates, processes, voting rights and to also register people to vote.
