

## Westchester County (NY) Chapter

# NATIONAL TRENDS AND SERVICES

March 20, 2018

### NTS Facet Report

- The NTS Facet met via conference call on Monday, March 12 to discuss the following:
  - AARP/Alzheimer's – Proposed Fall Forum and “In An Arts State of Mind”
  - National Initiatives
    - Human Trafficking
    - Anti-Bullying
- The facet discussed the Fall Forum proposal and agreed that the idea is very relevant to our community. However we need clarity on the role our facet and chapter would play. We also need an understanding of what size audience we are looking to impact to make this a meaningful event.
- The “coi bench” project is slated to be complete in September. To that end, members of the facet identified dates the week of 3/19 where they would be available to make components at the Clay Arts Center with Link Earlene.
  - Tuesday 3/20 5:30pm and Friday 3/23 (during the day, time TBD)
  - Please connect with Link Earlene if these dates work for you. ***This is a great opportunity if you need service hours!***
- Link Hillary is working on a presentation for the April Chapter Meeting regarding Human Trafficking.
- Link Ginger researched Anti-Bullying and there's relevance for the Scholarship Program, as well as STY and Young Achievers.
- Facet will meet in May or June to plan 2018/9 Program Year Activities.
- Our Budget is \$3,650 and to date, we have spent \$860.81.
