

## Report of the Scholarship Committee

April 6, 2017 Conference call and update

Present: Links Priscilla Dixon, JoAnn Dudley, Dianne Young, Jackie Boucher, Javette Hines, Ginger Grant, and Terry Joyner.

Conference call began at 7:30 pm.

Discussion centered on determining the criteria for selection of applicants to interview. Link Terry provided a rating sheet that was used by another organization. After much consideration, decision was made to review each application against the criteria listed on the rating sheet. This requires committee members to read each application and rate each one. Each application should have 2 readers.

Applications will be available for review at Link Ginger Grant's house: 24 Bowbell Road, Greenburgh NY 10607, Thursday April 13 at 10:00 am and Friday April 14 at 3:00 pm. The goal will be to notify students Friday afternoon and begin to schedule interviews.

Call ended at 8:30 pm

Update:

Review of applications took place on April 13 and 14. Sixteen students were chosen for interviews based on GPS, standardized test scores, personal essay, letters of recommendations and community service. Interviews began on April 22, 2017. Remaining interviews to be held on April 23 and April 29.
