Firstly, the committee needed an update on the state of our budget

Link Priscilla noted that the care packages cost \$325 last Fall. She also spent \$162.48 on food for the reception. Link Ginger spent \$145 in paper goods and printing for the reception. Link Terrilynne spent about \$80 in printing of the certificates and Link Terry spent about \$75 in flowers. The total costs so far this year has been about \$787.48. We had budgeted \$1,000 for administrative costs, so the budget balance is \$215.52 which can be used for spring care packages.

Decision: care packages will be sent this spring; committee members also agreed to donate items for the packages.
